TERMS AND CONDITIONS OF COMPETITION FOR PLAYNETBALL.COM

The Company may result in a Team being unable to participate in forthcoming Seasons. The Deposit forms part of the Season Fees and any fines are payable additionally to Deposits and Season Fees.

The Team Captain is responsible for ensuring payment is made in full prior to the date designated by The Company. Failure to make full payment of the fees in accordance with the time frame provided to you by The Company may result in The Company retaining your Deposit and loss of your place in the league. The Company may also set ladder points to zero until full season payment is made.

Where a player joins a playnetball.com individuals team as a single player; makes an individual payment and subsequently requests a refund prior to the start of the season, the applicable administration fee of £15 will be retained by playnetball.com.

Refunds cannot be made within 5 days of the start of the league. All refunds are subject to an administration fee of £15 for individuals and £30 for teams.

3. INJURY

The Company does not accept any responsibility for any injuries to or death of Participants or Spectators on The Company's premises, unless The Company is in breach of these Terms and Conditions or relevant Health and Safety legislation and this is the cause of the death or serious injury.

Some basic first aid supplies are available for injuries to Participants caused through play, although we do not provide medical assistance. Any medical assistance or advice given is provided on a voluntary basis with the assumed consent of the injured Participant.

There is no additional time played in the event of an injury.

PLEASE NOTE: Playnetball.com does not provide insurance for players. Players should arrange their own insurance.

4. CODE OF CONDUCT

The Company does not tolerate backchat, derogatory comments or abusive language or behaviour towards The Company Staff, Participants or Spectators.

Umpires' decisions are final. Any questions or queries may only be clarified during match breaks. Failure to adhere to this term is a sending off offence, at the discretion of the umpires and/or the Site Manager.

Dangerous/non-sporting behaviour: All Participants/Spectators are required to ensure they do not endanger themselves or others whilst on The Company premises. Any Participant engaging in intentional and/or unintentional dangerous play, as determined by The Company Staff, may be subject to disciplinary procedures.

Neither Participants nor Spectators are permitted to enter The Company premises whilst under the influence of drugs/alcohol and every effort will be made by The Company Staff to ensure this doesn't happen. Any player suspected of being under the influence of drugs or alcohol will be asked to leave the premises immediately, and receive an automatic suspension to be determined by the site manager/competition organiser. This even includes just smelling of alcohol.

Any transgression of the code of conduct will result in the disciplinary process being invoked.

5. DISCIPLINARY PROCESS

Step 1 – Verbal warning

Step 2 – Written warning

TERMS AND CONDITIONS OF COMPETITION FOR PLAYNETBALL.COM

Step 3 – Suspension

Step 4 – Termination of registration

Step 5 – Civil proceedings commenced

The disciplinary process may be used in relation to a Participant or Team. Depending upon the severity of an incident, as determined by The Company Staff, steps in the disciplinary process may be missed out. A Captain will usually be included in the disciplinary process.

There are no refunds provided as a result of the disciplinary process being invoked.

6. FORFEITS

Teams that do not field a Team for a scheduled match will be charged a forfeit fee of £65. This is to be paid ahead of that Team's next match. Failure to pay the fee may result in deduction of ladder points, suspension or expulsion from the Competition. The score for the intended match will be recorded as 25-0 to the opposition.

A Team is required to field five Participants in order that a match may start. A Team will be penalised one goal per minute for each minute that they do not have five participants on court. If a Team does not have five players on court by the start of the second quarter, the match will be forfeit and the Team will be charged a forfeit fee of £65.

A Team may arrange to use fill-ins in order to reach the minimum. However, if by the start of the second quarter a team does not have at least four of their Registered Participants on court, the match will be forfeited with the score 10-0 to the opposition. In this instance, the game will continue and no forfeit fee is charged.

For mixed leagues, a Team may only have three male Participants on the court at any one time, otherwise the match will be forfeited with the score 10-0 to the opposition. In this instance, no forfeit fee is charged. No more than one male from each team is allowed to play in either the attacking or defensive circle at the same time, unless the game is a scratch match/already forfeited and with the agreement of both teams.

A Captain, or in the instance that the Team Captain is not present, the Team, must take responsibility for informing the umpire about the use of unregistered Participants. If a Team is found to be using unregistered Participants or higher graded fill-ins without informing the umpires, additional ladder points may be deducted as a penalty.

Any Team that fails on more than one occasion in a Season to provide the minimum number of Participants for a match will lose their first preference to return the following Season.

If two teams who are scheduled to play against each other both agree to forfeit or not play for any reason, the score will be recorded as a 0-0 draw but 0 points will be awarded to either team.

7. NEW TEAMS MID SEASON

Where a Team is replaced or joins midway through the Season, the results of all of their previous matches will remain as 5-0 to the opposition.

If a new Team is replacing a Scratch Team where scores were previously recorded as 10-0, those scores will also be changed to 5-0.

TERMS AND CONDITIONS OF COMPETITION FOR PLAYNETBALL.COM

8. ELIGIBILITY - SIGNING IN

All Participants and Spectators must sign in each week and all Participants must be registered online at <https://www.playnetball.com/registration/> before the start of the season. Any subsequent Participants must also register online before their first game. This, and/or their entrance onto The Company Premises, signifies their acceptance of these terms and conditions and the waiver. Additionally, the following rules apply to ensure a fair competition:

- 1) A Participant must sign in for four (12 week season) or six (16 week season) regular season matches to qualify for semis/finals (the semi-final may count towards eligibility for the final)
- 2) A Team must have at least four Registered Participants signed in for the Team to receive ladder points for that match (three for versatility). If less than four Registered Participants have signed in for the Team, the match will be recorded as 10-0 to the opposition regardless of the actual result. However, if the end result is actually more than 10 goals in favour of the opposition, then that result will stand.
- 3) Additional Participants may be registered for a Team throughout the Season and must register on the playnetball website prior to playing their first game:
 - a. New, Unregistered Participants joining your team should register at <https://www.playnetball.com/registration/>.
 - b. Existing Registered Participants joining your team should log on and update their team details at <https://www.playnetball.com/my-account/>
- 4) In addition, please also inform the Site Manager that you have registered a new Participant and their name will be added to your Team sign-in sheet. That Participant will only become one of your Registered Participants after their first match for your Team (i.e. their first match for your team does not count towards the required four eligible Participants) although this first match will count towards eligibility for semi-finals and grand finals.
- 5) Players must sign-in before their match each week. Group sign-ins are not allowed (i.e. you cannot sign in on behalf of other Participants) and neither is a simple tick in the box. The Company will issue one written warning only if evidence of the above is obvious on a sign-in sheet, after which, any winning points will be deducted and the score reverted to 10-0 to the opposition.
- 6) If a Team fails to sign in a minimum of 4 registered participants, or where less than 4 registered participants are available, for a game where they are scheduled to play against a Scratch Team, the score will be recorded as a 0-0 draw, and 1 point awarded to both teams.

9. ELIGIBILITY - FILL-INS

Teams are allowed to use fill-ins from the same or lower grades with no penalty. A fill-in that is registered to play for a higher graded side will incur a five goal penalty per grade, regardless of their time on court. A fill-in Participant may also be asked to play out of position (or to leave the court if a more appropriate fill-in is available) at the discretion of the umpires if their influence upon the match is considered to be too great. In this instance, the five goal penalty will still be applied.

If a participant plays for a number of teams, their highest graded team will be considered their standard for the purposes of filling in and penalty goals. A player may also be considered to be from a particular grade even if they are not currently playing in that grade (e.g. if they have taken a season off).

Given the differences in grades across different nights, the Company and its site managers and umpires will consider individual cases and take into account the standard of all other teams in the particular grade.

10. ELIGIBILITY – SEMI/GRAND FINALS

A Registered Participant must play (and sign in for) four (12 week season) or six (16 week season) matches for their Team, to become eligible for semi/grand finals.

TERMS AND CONDITIONS OF COMPETITION FOR PLAYNETBALL.COM

If a player leaves a team due to a medical condition (and on production of the appropriate medical certificate/letter) a direct replacement player may join in their place. A direct replacement will be deemed eligible if they play at least 40% (rounded up) of the team's remaining regular season games or two games (whichever is greater). The organisers must be notified of the direct replacement prior to their joining the team.

13, 14 or 15 games remaining – 6 games required
11 or 12 games remaining – 5 games required
8, 9 or 10 games remaining – 4 games required
6 or 7 games remaining – 3 games required
5 or fewer games remaining – 2 games required

A player returning from injury within the same season will be treated as a replacement player.

Ineligible Participants (unregistered or unqualified having played fewer than four (12 week season) or six (16 week season) matches) will incur a five goal penalty for their Team. This is in addition to any penalty incurred for using higher graded Participants.

Any fill-ins used during a semi or grand final should be registered to play for another Team in The Company's league for the current season. If not, a 10-goal penalty will automatically be applied.

A player can only play for one team (in each graded league) during the semi/grand final games.

Any Team using Ineligible Participants for a semi/grand final should notify the Site Manager ahead of the semi/final. Failure to do this may result in the match automatically being declared a forfeit. No forfeit fee will be charged in this instance.

11. GLOVES, NAILS, TAPE, JEWELLERY, CLOTHING, FOOTWEAR

In line with England Netball Rules, gloves should not normally be worn to play netball. Other than extreme weather conditions, or in the case of some medical conditions (with production of an appropriate medical certificate), gloves can be worn. Glove material should be plain, soft leather or microfibre (e.g. Neoprene) which have no external seams and no abrasive materials such as zips, velcro, metallic or plastic fasteners.

Nails should be short and smooth at all times (even if gloves are worn). Nail clippers are provided by the Company Staff. Tape may not be used to cover nails.

No jewellery may be worn. In exceptional circumstances, and, wholly at the discretion of The Company, jewellery that is irremovable may be taped. Participants should bring their own tape to the courts.

Participants are expected to wear appropriate clothing and footwear to the courts. Laced sporting shoes with sufficient grip are required.

Participants will not be permitted on court if they do not meet these requirements. The Company has absolute discretion in deciding whether a Participant's clothing/footwear is appropriate.

12. SCORE AMENDMENTS

The Company will apply any score amendments which have been validated by the opposing Team and/or Umpire within 14 days of game date.

13. PREGNANCY

We are adopting the England Netball recommendation that individuals (player, coach, umpire) if pregnant

TERMS AND CONDITIONS OF COMPETITION FOR PLAYNETBALL.COM

should only participate with approval from their doctor and not participate beyond the 12th week of pregnancy. The Company will not be held liable for any pregnant individual participating in any activity should the expectant mother suffer a miscarriage, permanent damage to herself and/or unborn child as a result of participating.

14. POSTPONED MATCHES

In the event of matches being postponed due to unforeseen circumstances (including extreme weather and tube strikes) matches will be rescheduled. This may include playing matches on a different night of the week (or Saturday morning). All Teams are required to play rescheduled matches and no refunds will be issued. In some instances a match may be cancelled, in this event no refunds will be issued.

The Company will make the decision as to whether a match is cancelled or postponed.

In the event that a match must be stopped due to circumstances including but not limited to, extreme weather, equipment failure, dangerous playing conditions, injury, the match may or may not be rescheduled at the discretion of The Company and the score as it was at the time of the curtailment of the match will stand.

Where a game does not play for the full amount of time for any reason, the umpires and site manager will determine whether the score at the time the game ended is the final result or whether a forfeit may be awarded to either team.

We agree to use our best endeavours to reach a convenient agreement for teams affected by postponement.

15. USE OF PARTICIPANT IMAGES

During the course of a league, tournament, tour, season, post season or other Company activity, photographs and videos may be taken for promotional and or social media purposes not limited to Facebook, Twitter, Instagram, Flickr, Company websites and flyers. Unless the participant requests in advance of the photograph or video being taken that their image is not used for this purpose, consent is implied.
